Experience

Easy Lane Stores

SDE Intern

May 2023 – August 2023

Houston, Texas

- Enhanced the inventory management system by implementing a custom module to automate stock tracking, reducing manual errors by 30%.
- Utilized SQL queries to extract and manipulate sales data from the database.
- Developed Python scripts to automate the generation of weekly and monthly reports that provided insights into product trends and sales performance.

Verizon Inc.

Senior Sales Representative

July 2021 – August 2022

Houston, Texas

- Exceeded monthly sales targets by 50% by consistently promoting and selling Verizon's products and services to customers.
- Demonstrated strong customer service skills by resolving complex customer issues and providing technical support, resulting in high customer satisfaction and retention.

Projects

Full-stack Application

- Collaborating with a team to design a software application using an Agile Approach for a fuel company.
- Utilizing Python, SQL, PHP, HTML, and CSS to design a client login, client registration, profile management, a fuel quote form with a pricing module, and fuel quote history.
- The goal is to predict the fuel rate and calculate the company's profit margin.

Legacy Of The Lost World (2-D Game)

- Led a team to design a 2D game with basic mechanisms like running, jumping, and attacking.
- Worked as an engineer focusing on the game's framework and design.
- Utilized Unity and C# to build the game.

Portfolio Website

- Developed and launched an interactive personal portfolio website.
- Created a user-friendly interface and optimized site performance.
- Utilized HTML, CSS, and JavaScript to design the website.

Extracurricular

CougarCS

Member

January 2023 – Present

University of Houston

- Producing professional and sociable events for the largest CS organization at the University of Houston.
- Contributing to the organization's online presence by creating content for social media platforms and the website.
- Helping to organize events like career fairs, hackathon, tutoring sessions, etc.
